|------|-------------|----------------------------------------------------------------------------|------------------|
| 1998 | <b>Ph.D</b> | University of Pittsburgh,<br>Graduate School of Public Health              | Epidemiology     |
| 1987 | <b>M.A.</b> | Washington University (St. Louis),<br>Graduate School of Arts and Sciences | Statistics       |
| 1985 | <b>B.S.</b> | Washington University (St. Louis),<br>School of Engineering                | Computer Science |

### ACADEMIC EXPERIENCE

- |                   |                                                                                                                         |
|-------------------|-------------------------------------------------------------------------------------------------------------------------|
| 2004 –<br>present | Research Associate Professor<br>School of Social Policy and Practice, University of Pennsylvania                        |
| 2009 – 2015       | Core Faculty, Center for Health Equity Research and Promotion, Philadelphia<br>Veterans Affairs Medical Center.         |
| 2009 –<br>present | Senior Fellow, Leonard Davis Institute of Health Economics, University of<br>Pennsylvania                               |
| 1997 – 2004       | Adjunct Assistant Professor<br>Department of Psychiatry, University of Pennsylvania                                     |
| 1999 – 2004       | Research Associate<br>School of Social Work, University of Pennsylvania                                                 |
| 1994 – 1998       | Instructor<br>Western Psychiatric Institute and Clinic, University of Pittsburgh                                        |
| 1990 – 1993       | Manager of Computing - Program on Human Development and Criminal Behavior<br>Harvard University School Of Public Health |
| 1988 – 1990       | Statistician - Medical Practice Study                                                                                   |

Harvard University School Of Public Health

**PROFESSIONAL EXPERIENCE**

- 1993 – 1994 Alkermes, Inc.  
Manager of Programming Services- Biostatistics and Data Management
- 1985 – 1987 McDonnell Douglas Corporation  
Associate Engineer - Manufacturing Systems Engineering

**ACTICE GRANTS**

R01MH107452-03 (S. Marcus) 04/01/16-03/31/21  
National Institutes of Mental Health \$1,209,364  
**Improving the Emergency Department Management of Deliberate Self-Harm**  
The proposed study will inform efforts to address deficiencies in the emergency management of deliberate self-harm by testing whether access to five emergency services influences inpatient admission, timely outpatient mental health care, short-term risk of repeated self-harm and suicide.

Administrative Supplement: Suicide Risk Prevention by Patient Sex, Age, and  
Rurality

Career Re-entry Supplement for Timothy Schmutte (Yale): Emergency Department  
Recognition of Mental Disorders and Short-Term Outcome of Deliberate Self-  
Harm in Older Adults

Administrative Supplement: Suicide Risk and Emergency Self-Harm Management  
During the First Year Following Dementia Diagnosis

R01MH108551-01 (R. Beidas) 04/01/16-01/31/21  
National Institute of Mental Health \$382,027  
**Increasing accuracy and efficiency of fidelity measurement in CBT**  
The goal of proposed project is to strengthen the public health impact of psychosocial interventions by identifying fidelity measurement methods that can be used for research and practice

K23MH115162 (S. Douppnik) 07/01/18-06/30/22  
National Institute of Mental Health \$186,948  
**Continuity of Mental Health Care after Youth Hospitalization for Suicide Attempt**  
The purpose of this Mentored Patient-Oriented Research Career Development Award is to prepare Stephanie K. Douppnik, MD, MSHP for a career as an independent investigator focused on identifying health systems organizational strategies and practices for promoting engagement in mental health treatment among young people, with a particular focus on reducing youth suicide attempts and suicides.

R01MH119127 (N. Williams) 06/01/19-05/31/23  
National Institute of Mental Health \$500,000  
**RCT of a leadership and organizational change strategy to improve the  
implementation and sustainment of digital measurement-based care in youth**

**mental health services**

Cluster RCT to test the Leadership and Organizational Change for Implementation (LOCI) strategy, in children’s mental health clinics, on the implementation and sustainment of a digital measurement based care intervention.

R01MH108548 (I. Bennett) 04/08/16-03/31/21  
National Institute of Mental Health \$659,984

**Remote Supervision for Implementing Collaborative Care for Perinatal Depression**

The project is a pragmatic cluster randomized trial of longitudinal remote consultation utilizing video conferencing to efficiently link providers to consultants who provide timely feedback and training.

1T32 MH109433 (Mandell, Beidas) 07/01/17-06/30/22  
National Institute of Mental Health \$251,006

**The academic-community experience (ACE): A postdoctoral training fellowship in implementation science to promote mental health**

The goal of the proposed training program is to provide postdoctoral training at the intersection between implementation science and mental health.

1P50MH113840-01 (Mandell, Beidas, Volpp) 07/01/17-06/30/21  
National Institute of Mental Health

**Transforming mental health delivery through behavioral economics and implementation science**

The goal of the proposed P50 is to advance the science and practice of implementing evidence-based practice for people served through publicly-funded mental health systems.

Methods Core: (Buttenheim, Marcus, Williams) \$190,386

The Methods Core will provide operational support to the projects proposed in this application.

Project I: (Marcus, Olfson, Volpp) \$123,595

Incentivizing Evidence Based Antidepressant Medication Treatment of Major Depressive Disorder

This study compares short-term effects of financial incentives on adherence to antidepressant treatment.

R01MH111650 (Baldwin) 04/01/17-3/31/21  
National Institute of Mental Health \$631,411

**Disclosure of Serious Mental Illness in the Workplace**

The proposed project will provide the first-ever systematic evidence on the process of disclosing SMI in the competitive workplace.

R01AG056407 (Maust) 12/1/17 – 11/30/2021  
National Institute of Aging \$675,990

**Patient, Caregiver, and State Policy Drivers of Potentially Inappropriate Medical Care for Dementia**

The proposed project seeks to understand the patient, caregiver, and regional factors that influence inappropriate medical care provided to patients with dementia and their families.

R01MH117653 (Shea) 07/01/18 – 06/30/22  
National Institute of Mental Health \$485,586

### **Alternative Approaches to Supporting ASD Services for Young Adults**

This project will use national Medicaid data to examine the healthcare experience of adolescents with autism spectrum disorder as they age into adulthood.

R01MH116057 (Ben-Zeev) 11/01/2018 – 10/31/2023  
National Institute of Mental Health \$780,141

#### **mHealth Implementation in Community Mental Health Centers**

The proposed study will conduct a multi-site site hybrid type III effectiveness/implementation trial to compare external versus internal facilitation models applied to the FOCUS mHealth intervention.

### **Past Grants:**

1-R01-MH-086722-04 (S. Marcus) 09/20/10-05/31/14

Role: PI

National Institutes of Health

#### **Patient Safety in Inpatient Psychiatry**

The project seeks to assess the incidence, nature and preventability of patient safety events via a record review of 11,000 patient medical charts in a random sample of 38 inpatient psychiatric units of general hospitals in Pennsylvania.

1-P20-MH-085981-05 (P. Corrigan) 09/09/09-08/31/14

Role: Co-investigator

National Institutes of Mental Health

#### **Adherence and Empowerment: Service Participation and Meaningful Outcomes**

The research seeks to better understand strategies that enhance empowerment and adherence, which, in turn, influence participation in quality services and achievement of personally meaningful goals for persons with SMI.

1-R21-CA-169950-01A1 (S. Palmer) 04/01/13-03/31/15

Role: Co-investigator

National Cancer Institute

#### **Implementing Survivorship Care Plans: Metrics to Foster Research and Fidelity**

The research seeks to develop metrics to evaluate the content of treatment summaries (TSs) and survivorship care plans (SCPs) provided to cancer survivors relative to Institute of Medicine (IOM) recommendations.

1-R34-MH-100356-01 (D. Mandell) 07/01/13-04/30/16

Role: Co-investigator

National Institute of Mental Health

#### **Clinical Algorithm for Identifying Adult Autism**

The research seeks to refine and test a clinical algorithm for identifying autism spectrum disorders (ASD) in adults receiving outpatient psychiatric care.

1-R01-MH-096848-01A1 (D. Mandell) 07/01/13-06/30/17

Role: Co-investigator

National Institute of Mental Health

#### **Evaluating the Effects of Autism Insurance Mandates**

The research seeks to examine the effects of state autism mandates on the treated

prevalence of children with ASD.

1-R01-MH-099012-01A1 (V. Stanhope)

09/01/13-06/30/18

Role: Co-investigator

National Institute of Mental Health

**Person Centered Care Planning and Service Engagement**

The research seeks to test the effectiveness of Person-Centered Care Planning (PCCP) together with two implementation strategies designed to target barriers and efficiently implement PCCP throughout an agency.

5-R01-MH-081916-04 (J. Coyne)

9/19/08-5/31/13

Role: Co-investigator

National Institutes of Mental Health

**Detection and Care for Depression in the Peripartum**

The overarching goal is to identify influences on access and barriers to care for MDD in pregnancy and postpartum.

5-R01-AG-034182-02 (R. Werner)

3/15/10-7/30/13

Role: Co-investigator

National Institute of Aging

**Evaluating Pay for Performance and its Design: Evidence from Nursing Homes**

The overall objective of this study is to assess the relationship between pay for performance and the delivery of high-quality care in the setting of nursing homes.

5-R01-HS-018389-02 (J. Doshi)

9/30/10-7/31/13

Role: Co-investigator

National Institute of Aging

**Impact of Medicare Part D in Dual Eligibles with Schizophrenia**

The project seeks to determine the impact of Medicare Part D and prescription copayment changes on total mental healthcare costs in dual eligible patients with schizophrenia.

1-R34-MH-100356-02 (D. Mandell)

07/01/13-04/30/16

Role: Co-investigator

National Institute of Mental Health

**Clinical Algorithm for Identifying Adult Autism**

The research seeks to refine and test a clinical algorithm for identifying autism spectrum disorders (ASD) in adults receiving outpatient psychiatric care.

AD-1306-01419 (P. Corrigan)

02/01/14-01/31/17

Role: Co-investigator

Patient-Centered Outcomes Research Institute

**Integrated Care and Patient Navigators for Latinos with Serious Mental Illness**

The research seeks to develop a peer navigator program meant to enhance the impact of already existing integrated services for Latinos with serious mental illness.

1-R01-MH-097796-01A1 (M. Bonarrigo)

09/01/14-06/30/18

Role: Co-investigator

National Institute of Mental Health

**Recovery-Oriented Structures, Practices and Outcomes in CMHCs: A National Study**

The research seeks to gain an in-depth understanding of the mechanisms by which organizations adopt a recovery-oriented framework for care delivery.

1-R01-MH-106175-01A1 (D. Mandell)

04/01/15-03/31/19

Role: Co-investigator

National Institute of Mental Health

**RCT of TeachTown in Autism Support Classrooms: Innovation and Exnovation**

This study comprises a randomized controlled trial to examine the effectiveness of TeachTown: Basics for students with autism.

R21MH109878 (R. Beidas)

04/01/16-03/31/18

Role: Co-investigator

National Institute of Mental Health

**Intervention mapping to develop multi-level implementation strategies in partnership with stakeholders: Firearms means restriction for suicide prevention in pediatric primary care**

The project will collaboratively develop implementation strategies in partnership with stakeholders to increase the use of means restriction in pediatric primary care.

R34MH102525 (M. Munson)

08/01/14-07/31/17

Role: Co-investigator

National Institute of Mental Health

**Cornerstone: Boundary Spanning Case Management and Peer Support for Youth**

The goal of this project is to refine and examine the feasibility, acceptability and preliminary impact of a guided intervention that provides system 'boundary-spanning' services to improve mental health service use and outcomes for low-income, transition-age youth with mental disorders (TAYMD).

2017

## SELECTED CONFERENCE PRESENTATIONS

1. Maternal mental health and children's health care receipt. Society for Social Work Research Annual Conference; January 2008; Washington, DC. (with Cullen SW, Matejkowski J, Solomon P).
2. Psychotropic medication use among children with autism spectrum disorders. American Public Health Association Annual Meeting; November 2007; Washington, DC. (with Mandell DS, Morales KH, Stahmer AC, Doshi J, Polsky DE).
3. Stimulant dosing in the community treatment of children with ADHD. 54th Annual Meeting of the American Academy of Child and Adolescent Psychiatry; October 2007; Boston, MA. (with Olfson M, Zhang H, Wan GJ).
4. Does who we know affect what we do? Knowing someone with AIDS, sexual risk communication and engagement in HIV sexual risk behaviors. American Public Health Association Annual Meeting; November 2007; Washington, DC. (with Cederbaum J).
5. Continuity of methylphenidate treatment in adults with ADHD. New Clinical Drug Evaluation Unit (NCDEU) Annual Meeting; June 2007; Boca Raton, FL. (with Olfson M, Zhang HF, Wan GJ).
6. Antidepressant selection and adherence in dual eligibles newly initiated on antidepressant therapy. *Academy Health*; May 2007. (with Doshi JA, Li P, Polsky D).
7. Antipsychotic medications and hospital readmission in bipolar disorder. American Psychiatric Association Annual Meeting; May 2007; San Diego, CA. (with Olfson M, Kim MS, Kim E, L'Italien GJ, Van-Tran Q).
8. Adult ADHD and stimulant dosing in the community setting. American Psychiatric Association Annual Meeting; May 2007; San Diego, CA. (with Olfson M, Zhang HF, Wan GJ).
9. Medical care among persons with serious mental illness (SMI). Society for Social Work & Research Annual Conference; January 2006; San Antonio, TX. (with Bressi SK, Wong YLI, Solomon P).
10. Antipsychotic non-adherence and costs of short-term inpatient treatment for

schizophrenia. International Society for Pharmacoeconomics and Outcomes Research (ISPOR) Annual International Meeting; May 2006; Philadelphia, PA. (with Olfson M).

11. Antipsychotic non-adherence and costs of short-term inpatient treatment for schizophrenia. 11th Annual International Meeting; May 2006; Philadelphia PA. (with Olfson M, Montgomery W).
12. Workplace accommodations that work for workers with mental disorders. Workshop on Accommodating Disability at the Workplace; June 2006; Calgary, Canada. (with Baldwin M).
13. Relationship of family involvement and management of medication non-adherence in schizophrenia. New Clinical Drug Evaluation Unit (NCDEU) Annual Meeting; June 2006; Boca Raton, FL. (with Wilk J, West J, Countis L, Regier D, Olfson M).
14. Use of long-acting antipsychotic injection medications for medication non-adherence in schizophrenia. New Clinical Drug Evaluation Unit (NCDEU) Annual Meeting; June 2006; Boca Raton, FL. (with West J, Wilk J, Countis L, Regier D, Olfson M).
15. Labor market outcomes of persons with mental disorders. American Society of Health Economists Meetings; June 2006; Madison, WI. (with Baldwin M).
16. Stimulants and injury in children and adolescents with attention deficit/hyperactivity disorder. New Clinical Drug Evaluation Unit (NCDEU) Annual Meeting; June 2006; Boca Raton, FL. (with Wan GJ, Zhang HF, Olfson M).
17. Use of long acting fluphenazine, haloperidol or risperidone in a Medicaid population. American Psychiatric Association Annual Meeting. May 2006; Toronto, Canada. (with Olfson, Ascher-Svanum H).
18. Family contact and the management of medication non-adherence among patients with schizophrenia. American Psychiatric Association Annual Meeting; May 2006; Toronto, Canada. (with Wilk JE, West JC, Countis L, Regier DA, Olfson M).
19. Use of Long-Acting Antipsychotic Injection Medications for Medication Non-Adherence in Schizophrenia. American Psychiatric Association Annual Meeting; May 2006; Toronto, Canada. (with West JC, Wilk JE, Countis L, Regier DA, Olfson M).
20. Diagnostic and treatment differences in children and adults with ADHD. American Psychiatric Association Annual Meeting; May 2006; Toronto, Canada. (with Smith MK, McGinnis RA).
21. Stimulant use in adults with ADHD. American Psychiatric Association Annual

- Meeting; May 2006; Toronto, Canada. (with Olfson M, Zhang HF, Wan GJ).
22. Impact of maternal mental health status on child mental health treatment outcome. Society for Social Work & Research Annual Conference; January 2005; Miami, FL. (with Rishel CW, Greeno C, Sales E).
  23. Medication non-adherence interventions among patients with co-occurring schizophrenia and substance use disorders. New Clinical Drug Evaluation Unit (NCDEU) Annual Meeting; June 2005; Boca Raton, FL. (with Wilk JE, West JC, Countis L, Hall R, Regier DA, Olfson M).
  24. Hyperlipidemia following treatment with antipsychotic medications. American Psychiatric Association Annual Meeting; May 2005; Atlanta, GA. (with Olfson M, Corey-Lisle PK, Tuomari VV, Hines P, L'Italien G).
  25. Persistence with methylphenidate treatment of ADHD. American Psychiatric Association Annual Meeting; May 2005; Atlanta, GA. (with Olfson M, Wan G, Kemner J).
  26. Psychiatric management of treatment-resistant schizophrenia. American Psychiatric Association Annual Meeting; May 2005; Atlanta, GA. (with Olfson M, West JC, Wilk JE).
  27. Inpatient mental health treatment of youth in U.S. community hospitals. Institute on Psychiatric Services of Meeting; October 2005; San Diego, CA. (with Case BG, Olfson M).
  28. Workplace accommodations that work for workers with mental disorders. American Public Health Association Annual Meeting and Exposition; December 2005; Philadelphia, PA. (with Baldwin ML).
  29. Perceived vs. measured labor market discrimination against persons with mental disorders. American Public Health Association Annual Meeting; November 2004; Washington, DC. (with Baldwin ML).
  30. Labor market discrimination against persons with mental disorders. American Public Health Association Annual Meeting; November 2003; San Francisco, CA. (with Baldwin ML).
  31. Race specific trends in suicide attempts among U.S. adolescents, 1991-2001. American Public Health Association Annual Meeting; November 2003; San Francisco, CA. (with Joe S, Hussen S).
  32. The relationship of comorbidity to disability in routine psychiatric practice. American Psychiatric Association Annual Meeting; May 2003; San Francisco, CA. (with Wilk

JE, West, JC, Narrow WE, Regier, DA, Rubio-Stipec M).

33. The treatment of schizophrenia in routine psychiatric practice. New Clinical Drug Evaluation Unit (NCDEU) Annual Meeting; June 2003; Boca Raton, FL.
34. Developing a community health data system. American Public Health Association Annual Meeting; November 2002; Philadelphia, PA. (with Johnson WG, Bartels AM, Johnson SE).
35. Does managed care work for injured workers? American Public Health Association Annual Meeting; November 2002; Philadelphia, PA. (with Baldwin ML).
36. Does managed care work for workers with occupational low back pain. Montreal International Forum V for Primary Care Research on Low-Back Pain; Montreal, Canada; 2002 (with Johnson WG, Baldwin ML).
37. Prescription of combination antipsychotic treatments in a national sample of individuals with schizophrenia-spectrum disorders. New Clinical Drug Evaluation Unit (NCDEU) Annual Meeting; June 2002; Boca Raton, FL. (with West JC, Wilk JE, Olfson M, Rae DS, Narrow WE, Regier DA).
38. Treatment of Major Depressive Disorder in routine psychiatric practice. New Clinical Drug Evaluation Unit (NCDEU) Annual Meeting; June 2002; Boca Raton, FL. (with West, JC, Duffy, FF, Narrow, WE, Wilk, J, Regier, DA).
39. Comorbidity patterns in routine psychiatric practice. American Psychiatric Association Annual Meeting; May 2002; Philadelphia, PA. (with Wilk, JE, West, JC, Narrow, WE, Regier, DA, Rubio-Stipec, M, Rae, DS).
40. Patterns of health care among children in a Hispanic border community. Academy for Health Services Research and Health Policy; June 2002; Washington DC. (with Johnson WG, Bartels A, Johnson S).
41. Treatment of bipolar disorder in routine practice. Institute on Psychiatric Services Meeting; October 2001; Orlando, FL. (with West JC, Zarin DA, Kahn D, Cosgrove V, Townsend M).
42. Axis I and axis II comorbidity in psychiatric practice. Institute on Psychiatric Services Meeting; October 2001; Orlando, FL. (with Narrow WE, Fitek DJ, Herbeck DM).
43. Characteristics of patients with substance use disorders affected by financial constraints. Institute on Psychiatric Services Meeting; October 2001; Orlando, FL. (with Duffy FF, West JC, Narrow WE, Cosgrove V, Regier DA).

44. Mental health service reporting: What doesn't work, what does, and what might work better. Mental Health Risk-Adjustment II; August 2001; Spokane WA.
45. The treatment of Major Depressive Disorder in routine practice. Institute on Psychiatric Services. October 2001; Orlando, FL. (with West JC, Duffy, FF, Narrow WE, Cosgrove, V, Regier, DA).
46. Race/ethnicity and variations in psychiatric diagnosis and treatment. Academy for Health Services Research & Health Policy Annual Meeting; June 2001; Atlanta, GA. (with Herbeck DM, Colquitt WL, Fitek DJ, West JC).
47. Treatment of bipolar disorder in routine practice. The National Institute of Mental Health NCDEU Annual Meeting; June 2001; Phoenix, AZ. (with West JC, Das A, Zarin DA, Kahn D, Cosgrove VE, Townsend M).
48. Treatment adherence among patients with substance use disorders in routine psychiatric practice. College on Problems of Drug Dependence Annual Meeting. June 2001; Scottsdale, AZ. (with Herbeck DM, Fitek DJ, Svikis D, West JC, Chalk M, Montoya ID).
49. Axis I/axis II comorbidity in psychiatric practice. American Psychiatric Association Annual Meeting; May 2001; New Orleans, LA. (with Narrow WE, Fitek DJ, Herbeck DM).
50. Characteristics of patients with substance use disorders for whom financial considerations affect access to treatment. American Psychiatric Association Annual Meeting; May 2001; New Orleans, LA. (with Herbeck DM, Fitek DJ, Fochtman L., Tennison C.).
51. Conformance with quality indicators in routine practice. Institute on Psychiatric Services Meeting; October 2000; Philadelphia, PA. (with West JC, Zarin DA, Wang PS, Rose C).
52. Assessing the impact of the New York/New York Supported Housing Initiative for Homeless Persons with Severe Mental Illness on public shelter use in New York City. American Sociological Association Annual Meeting; August 2000; Washington DC. (with Metraux S, Culhane DP).
53. Ten-year trends in psychiatric practice: comparisons between 1998 National Survey of Psychiatric Practice and 1988-89 Professional Activities Survey. Institute on Psychiatric Services Meeting; October 2000; Philadelphia, PA. (with Suarez AP, Sederer M).
54. A proposal for the development of a mental health risk adjustment model using Medicaid claims. Mental health risk-adjustment I; August 1999; Spokane WA.

55. Current trends in psychiatric practice in the United States. National Conference on Mental Health Statistics; June 1999; Washington, DC. (with Sederer M, Suarez AP).
56. Practicing evidence-based psychiatry: bipolar disorder. APA Annual Meeting; May 1999; Washington, DC. (with Zarin, DA, West JC).
57. The generalizability of findings from randomized controlled trials (RCTs) to routine clinical settings. National Clinical Drug Evaluations Unit; June 1998; Boca Raton, FL. (with Zarin, DA, Pincus, HA).
